Lafayette	3rd	Certified			

67 Counties

40 Certified

13 Motion and Order

10 Sheriff ** Duval County Sheriff is not currently appointing new servers - only renewal

4 Both Certified & Sheriff (a server is only required to maintain one or the other)

There is NO statewide license for Process Servers

You must be licensed in every county/jurisdiction you want to serve. Annual certification/renewal is required and many have education requirements. FAPPS is an approved Education Provider in the 8th, 9th, 10th, 15th, 17th, 19th & 20th Judicial Circuits.

In **Sheriff** appointed counties, the license is for a single county.

In **Certified** counties, the licensing is through the Court (once licensed you can serve in all counties in the Circuit)

In **Motion & Order** counties, there is **no** licensing program and no automatic authorization to serve process. These counties require an order of appointment by the Judge in every case you serve.

Additional information and class schedule is available on our Education page at www.fapps.org or by contacting our administration office (877) 383-2777 - administrator@fapps.org
