IT PAY\$ TO TALK ABOUT FAPP\$

Our Promotion and Growth committee is super intent on increasing our membership and is challenging each and every current member to talk to fellow process servers about joining FAPPS.

1. If each member refers one new member we can double our membership quite rapidly. This will give us increased visibility in Tallahassee on legislature issues.
2. If you refer a person who joins as an Active or Associate member you will received a \$25 discount off of your membership dues. Want your membership to be FREE????? Refer 5 if you are an Active member or 4 if you are an Associate member and VOILA! FREE
3. If you get work from companies in other states, ask them to join us as an Associate Member which will give them continuous visibility here in Florida.
4. Check and see if the other companies here in Florida are FAPPS members, if not, invite them to join.
5. If you are a member who has office staff, please consider paying for them to be a Supporting Member. This is a small investment of \$25 per year and they have access to a lot of savings. It is money well spent.

This is a WIN – WIN – WIN situation!

Member applications received by October 31, 2018 will be counted toward your dues for 2019.

Newsletter Submissions: Submissions to the Paper Chase are highly encouraged. The preferred method of submission is electronic via email to administrator@fapps.org in Microsoft Word—though plain text format is fine. Articles will be edited for style, grammar, and length, if necessary. Spelling will be checked but it would be a good idea if the author checked this prior to submission. Advertisements must be camera ready. Electronic submissions are strongly encouraged. All of the relevant information regarding advertisement submissions—including sizes available, ad rates, and deadlines are on the advertising form.

The Fine Print: The Paper Chase is published quarterly by the Florida Association of Professional Process Servers, Inc. (FAPPS) a not-for-profit Florida corporation, for the benefit of the members. FAPPS assumes no responsibility for the accuracy of any article printed herein, nor do the articles necessary reflect the policies or opinions of FAPPS unless specifically noted. The articles are not to be construed as legal or accounting advice—those with such needs should consult the appropriate professionals. The editor reserves the right to edit any article for content, grammar, length, and style.

PRESIDENT'S REPORT

MARGARET ZAWACKI, PRESIDENT

Dear Members:

Goodbye Summer Hello Fall. I don't know about the rest of you but summer went by way too fast for me. By the time you all read this we should be done with hurricane season with the State of Florida getting a "bye" this year. We are now into football season, college and professional and as I'm writing this I can't believe that all three Florida pro teams are 2-0. I don't think that has ever happened before? Good luck to the Buccaneers, Dolphins and Jaguars. I also know that we have College football fans out there so good luck to the Gators, Seminoles and Hurricanes as well. With football season and fall season upon us it only means one thing, Thanksgiving and Christmas are knocking on our door. I would like to take a moment to wish each and every one of you a safe and happy holiday!

Now on to Association business. We had our Professional Beach Getaway August 17th thru 19th at the beautiful Sirata Beach Resort. We were blessed because the "red tide" epidemic had not reached that area and we had a wonderful weekend. We had several people in attendance that had never been before and that is always nice to see. We are moving forward with attending the Paralegal Association's Conference in October and Tammy White will be attending on behalf of FAPPS. We had a very informal but informative roundtable discussion on numerous topics hosted by Bob Musser that went very well.

One of the ideas that I had brought to the board was to hold the December board meeting electronically. After much discussion the Board decided that they did not want to entertain the idea at this time. We are looking into streaming the meeting so that more members could attend electronically. Keep your eye out for more information on this new concept.

Also discussion was had on how to recruit new members. Our Association can only grow if every member is dedicated in helping this Association grow. You don't know how lucky you are to have a State Association looking out after your profession and representing you in Tallahassee. We have incentives in place when you refer a member to the Association.

There are numerous benefits that are accumulating on the website that are for members only. So what are you waiting for? Roll your sleeves up and get out there and start bragging about the best damn Process Server State Association in the U.S. Tell every process server you know what FAPPS has done and continues to do for the process serving profession and why they need to join today!

I would like to thank those members that attended the Professional Beach Getaway. The Board really does look forward to members attending and giving us any ideas you may have. Remember, we all work for you. This is your Association and the individuals you have elected are dedicated to the Association. I am looking for next year's PBGA to be on the East Coast and will have all info posted on the website so stay tuned.

Our 4th Quarter Board Meeting will be held on December 8th, 2017 at The Apollo, 765 S. Apollo Blvd., Melbourne, FL 32901. As always we welcome all members to come and join us.

Our 28th Annual Conference will be held on March 8-10, 2019 again at the beautiful Marriott Orlando Lake Mary. Please plan to attend now and make your reservations. You can find all the details about the hotel on the website. You don't want to miss out on "Salute to America".

Finally, did you receive our survey? Please take a moment to fill it out and send the survey into the Administrator either by email, fax or snail mail. We would love to hear your ideas and opinions for the Conventions for 2020 and 2021. You can find all the information on the board meetings and Convention as well as hotel reservation links, education course information and all news relating to our Association on our website.

In closing, I would just like to say that my phone (941-954-0169) and email (margiez@hctjudge.com) are always open to anyone with ideas or suggestions moving forward that will improve this Association. I thank you for your time.

Sincerely, Margaret L. Zawacki

Secure Document Trading

Bob Musser, FDSA Chair

BobM@dbsinfo.com
(407) 679-1539

The Secure Document Trading Service and Trading Platform is a mature, working system. We continue to add enhancements, but it has been working since 2016. To make it a success (and put FAPPS ever more in the center of the all things process service) is, and has been, a question of increased marketing and usage by our members.

Vendor Status:

TriStar is now trading w/ no issues. The only user they've setup (so far) is Mike Kern (Tristar user) trading with a PST user (Lance Randall).

So we have 3 of the major vendors: Database Services, Paper Tracker, and Tristar supporting the interface. Process Master and Loyal Dog remain interested but not actively working with us lately. No one has said "No, I'm not supporting that".

Association Status:

NAPPS is way out in front in terms of number of members who have claimed a listing in SDTS. Florida is present, NY is virtually non-existent.

Traffic:

Mike Kern tells me that we have 243 clicks on the SDTS links from the NAPPS website in the six months they've been tracking. That means that 243 times, someone has clicked "Send Work Now" from the NAPPS site.

These are the stats I have on the SDTS from our database servers. As you can see, the job count is increasing slowly each year, but certainly nothing explosive.

GRAND TOTALS

- NAPPS Directory: 3039

ADMINISTRATOR'S REPORT

Diana Wardwell, AFPS

administrator@fapps.org

Dear Members,

Fall has arrived! The Professional Beach Getaway was a great event for members to educate, network, and learn more about FAPPS. Thank you to everyone who was involved with the planning and those that attended.

We now shift gears and focus on our next major event, the 28th Annual Conference. Our education seminars have been set up and as usual our Convention Fun Director, Amy has a weekend full of fun activities.

REGISTER EARLY! The hotel and reservation deadline is not until February 14, 2019 but rooms sell out quick. Be on the lookout for early registration promotions and updates on our seminars and speakers.

Looking to promote your services? Sponsorship is an excellent way to help us keep registration costs as low as possible. In return for your sponsorship we put a big spotlight on you and your company. Sign up early and take advantage of the additional advertising that comes from being listed on our promotional materials.

The Promotion & Growth Committee and Member Benefits have been combined as one committee. Bonnie Moore, the chair has an excellent group of members that have come forward to be a part of the committee, but they need more members. If you have as little as 30 minutes a week you can spare to this very important committee, reach out to her. A committee of many members can produce very positive results. Legislative issues, Violence Against Process Servers, potential e-service, are just a few issues we face daily and we need a strong membership in order to move forward with our initiatives.

Here is a quick guide for upcoming publication deadlines:

DECEMBER 1, 2018

2019 1st Quarter Newsletter Advertising and Articles

Advertising and articles are welcome to be included in our publication "The Paper Chase".

Special Offer! Advertise in all 4 publications of the newsletter and receive 10% off. Offer good for publications paid by June 15th and Dec. 1st yearly.

Member Referral Program

Help us Promote FAPPS! It is vital we have strong membership numbers as we approach legislators to sponsor our bill in the next legislative session which begins in March. .

There are incentives in place for not only the applicant you refer, but for yourself. Applicants who apply now through the end of the year do not expire until December 31, 2019. That is potentially 14 months of membership for the price of 12. You as the member are entitled to a \$25 referral for each active or associate member you refer (up to a free base membership).

Many thanks to the members who have referred applicants so far this year: **Russ Aloi, Frank James, Kristin Adams, Chris Yeoman, Mike Compton, Margie Zawacki, and Glenda Howell.**

If you have any questions on any of our programs or services, do not hesitate to contact me by phone or email.

Learning from Serving

An Educational Forum

Submitted by Dr. Denny Howley

Visiting the Archives of 3rd Quarter 2009

A "Threatening Situation"

Situation

Our serving lady received a process for the Registered Agent at his residential address, so it looked like an easy in-and-out serve, since a substitute serve could be made to anyone over the age of 15, who lived at the home. Since the name and address had been confirmed, our Server checked the address just to make sure she knew where it was...and off she drove.

Ahh, never assume !

She arrived at the target address, knocked on the door and asked the young lady who came to the door if Mr. "Registered Agent" (by his name) was at home. The Server was told "he had not gotten home yet". Our FAPPS Server then asked the young lady if she was his wife, she answered "yes". But was becoming visibly agitated, then yelled "what is this about?". Our Server said "ma'am, just a second and I'll explain everything to you".

Mrs. Registered Agent then became verbally hostile and started continuously clapping her hands inches from our Server's face. Then she screamed "oh this is the first time you served paper; you don't know it's a law suit". Mrs. Nasty mouth continued yelling, now shouting obscenities as her minor child hid behind her. Mrs. Nasty Mouth refused to give the Server the opportunity to speak or explain the documents

and refused to accept them when the Server offered her the papers. The papers were then placed on the ground directly in front of the irate out-of-control woman, as the Server stated "consider yourself served". Our Server, who refused to become baited by the verbal abuse she was receiving, turned and retreated down the sidewalk toward her car.

Mrs. Nasty mouth, increasingly vocal and yelling obscenities, followed the Server down the walkway

screaming at her and repeating over and over again "you no leave these papers, I going to get you". The Server got into her car and drove a short way from the property where she called the Sheriff's office to report the threatening confrontation.

The Sheriff's Department told our Server to wait and a short time later a Sheriff's Deputy arrived and escorted the Server back to the woman's home. There, the Officer informed Mrs. Nasty mouth, in no uncertain terms, that she could not under any circumstance speak to a stranger, much less a Court Appointed Process Server, in such a manner. Mrs. Nasty Mouth was not placated by the Officer, although she was more careful with her tongue. Because of her attitude and refusal to downgrade her hostility, the Deputy decided to make an official record on the incident, and informed Mrs. Nasty Mouth of that fact.

Comment

Was this incident a violation of Florida Statue 843.02, Resisting Officer without violence to his person? "Whoever shall resist, obstruct or oppose any officer... legally authorized to execute process in the execution of legal process...shall be guilty of a misdemeanor of the first degree..." But would it have been worth the time and effort to push misdemeanor charges against Mrs. Nasty Mouth?

Our professional FAPPS Server refused to get drawn into a "debate" or to allow her emotions to get in the way of doing her job. She attempted to explain the documents served, but was denied that opportunity. From her comments Mrs. Registered Agent was certainly aware of the job of a Process Server. It is also likely she knew her husband was a Registered Agent and she might have been served previously. Our Server could have just gone off to the next serve and forgotten the incident, but that wouldn't have "rewarded" Mrs. Nasty Mouth for her behavior.

Continued Next Page

A Threatening Situation Continued

The serve was accomplished and our Server demonstrated professional self-control in the face of out-of-control-behavior on the part of Mrs. Registered Agent. But Mrs. Nasty Mouth was “rewarded” for her behavior with a reprimand by the Deputy Sheriff and then informed that the incident would be officially recorded. When and if her brain shifted back into gear, whether she explained the episode to her Registered Agent husband or not, the realization might eventually dawn on the woman that her actions could create problems for herself and her Registered Agent husband. And maybe the next time, she would keep her emotions under better control.

This “Threatening Situation” was provided by Desarae Gietzen-Mace, Gietzen and Associate’s phone number is (813) 223-3233. Thanks Desarae for an education story on the importance of professional self-control.

2019 FAPPS CONVENTION SALUTE TO AMERICA

We are excited to be planning for the 2019 Annual FAPPS convention. The theme will be a Salute to America. If there is something you are especially hoping to see at our annual convention, please let us know by emailing your ideas to Diana at administrator@fapps.org.

Be sure to prepare your BEST patriotic attire for the weekend! Get ready to join in on the annual President’s Golf Tournament but don’t get too tired to join us in either Poker or Bingo on Friday night (you can start in Poker & join in Bingo later).

Start collecting fun items to donate to the raffle so we can make it our largest 50/50 prize EVER! Last year the winner took home over \$600. Finally, plan to attend the Saturday night banquet in an outfit that represents either your HOME state or your favorite state. There will be a prize for the most creative outfit! Minute to WIN it will be back full of great entertainment for the contestants and the spectators.

We look forward to a fun educational weekend with our FAPPS Family!

Legislative Committee

Mike Compton, Chair
mike@processamerica.com
(850) 933-9333

The Florida Legislature focused their attention on a variety of issues essential to the citizens of Florida. Unfortunately as we were chasing the clock everything shifted to the horrible shooting in Parkland. We continued to pursue the passage of SB904 but actually ran out of time as the Bill was on the floor. It was nearly midnight on the final day when the Speaker of the House adjourned and our Bill was up next. I was actually on the phone from Orlando speaking to our FAPPS Lobbyist in Tallahassee when we were notified we had no more time.

I had hoped to bring better news from the Legislation Committee in this report but things did not work out the way we wanted this session. Experience teaches us that some years there is “no rhyme or reason” when it comes to the legislatures. We had a sponsor for our bill on both sides and all was going well but time was not our friend. Now we press on and prepare for the next session, March 2019 making friends and allies. The Bill is in place and the committee is attempting to add one more issue on the current Bill. The issue deals with including Process Servers alongside other occupations that have private information concealed from the public in F.S. 119. The proposed language for this addition has been submitted to our Lobbyist for review and addition.

We will keep you up to date as we move forward. Please reach out to your local representatives and Senators. Let them know we are working on legislative issues and need their support. We have form letters available that would assist you in sending written correspondence. They are available by contacting me or our Administrator, Diana Wardwell at administrator@fapps.org. I would also like to add my deep felt appreciation for all the hard work given by the committee members.

Promotion & Growth/Member Benefits Committee Report

The **Promotion & Growth** and **Member Benefits** has been newly combined into one committee. We have terrific members who are working together, and all efforts are currently being focused on growing our membership numbers during this next year. To that respect, we are reaching out to all licensed process servers in the State of Florida to make them aware of **FAPPS** and the benefits of membership.

During the research involved in compiling the lists of licensed servers, we became aware of the amount of turnover from year to year within our industry. It is paramount to have great servers who understand the importance of the role of the process server within the legal field. We are tasked with serving the documents which allows the court to gain jurisdiction and allows the defendant's voice to be heard.

FAPPS has a formal continuing education class which teaches the servers the laws that we must abide by in carrying out our duties but there is much more involved than knowing the law. Our committee will also be kicking around ideas on retaining process servers, mentoring servers, blogs and/or videos that will be beneficial to all servers. I feel this would be a **member benefit** and when people see increased benefits it leads to **promotion** and **growth** of our association.

Any and all ideas are welcome. I know everyone is extremely busy but if you could spare at least one hour per week, we are still seeking committee members who would like to help FAPPS thrive! Your help would be greatly appreciated. Contact me at 407-493-8259 or Promotioncommittee@fapps.org.

Dear Fellow FAPPS members,

I hope this update finds you all safe, healthy, and prosperous. Each committee of FAPPS is designed to assist our membership in some capacity, and we try our best to do so. However, we are always in need of ideas and input from you- the members. Please be active in your association in some way.

This past month, we had a process server in Lee county who was attacked while trying to serve a paper. She was on a property and advised by a relative the defendant lives on the second floor, when she went to the second floor a man answered and denied the defendant lived here, and closed the door. He then came back out and attacked the server on the stair case, causing her multiple bruises, and grabbed her around the waist area, even forcing her clothing to leave her exposed. She screamed in fear and attempted to flee to her vehicle. The man even attempted to further batter her after she was attempting to drive away by opening her car doors. She finally escaped the scene and called 911, and while speaking to dispatch a half mile away, another male came after her in a vehicle that had been on the property. Sound like a nightmare? This was just the beginning, because when Lee county officers arrived, they began interrogating the process server as if she were in the wrong. They clearly did not know her purpose, and right to be there, nor their responsibility to arrest the assailant.

The next day she was contacted by a detective and requested to visit the police station, where she was further treated like a common criminal rather than a victim. The detective was aggressive and unsympathetic in his questioning, and nearly had her in tears for a second time.

This incident took place 30 days from the date of this report, and no arrest has been made, no more contact to the victim aside from her calling to ask questions. And no report has even made it to the state attorneys office for review. When the server attempts to follow up, she is treated with disrespect, as if she is the problem.

This is clearly not proper. We intend to continue following this case and will update you as things develop, hopefully sooner than later.

Remember, our goals consist of the following. To bring assistance and attention to any process server in our state who has an experience where they are assaulted, battered, threatened, or a victim of violence in any way, while exercising their duties legally as a process server. To support the process server in any way possible with the prosecution of the offender. And to document such incidents, so problem subjects, areas, or procedures can be shared with other process servers. Statistics can be later used to promote better legislation to assist and/ or protect us in the future.

We need your help! We are only a few sets of eyes and ears, we need you to spread the word that we are here and ready to help. Contact myself or any member of our committee if you have an incident or share our info to someone you know who does.

Be safe out there!

Sincerely,

Chris Yeoman, Chair

Process Serving

Submitted by Dr. Denny Howley

The Key to Understanding The Future

Process Servers play a **UNIQUE** and **VITAL** role in our **AMERICAN JUDICIAL SYSTEM**; but, it is and **HAS ALWAYS BEEN** a role that has been in **CONSTANT CHANGE** as it **EVOLVES** along with our society. This series of articles will “track” some key points in that evolution.

Part 1

We’ve all heard of a “Writ”, right? Well, let’s assume someone out there doesn’t know, so let’s look for a definition from Black’s Law Dictionary. According to Black’s, a Writ is “ a written judicial order to perform a specific act...’original writ’ instituting an action...giving authority to have done”. Serving Summons, Subpoenas, Writs of Garnishment, evictions, etc. are our “bread and butter” so to speak. They are Writs, without which we would not be.

So when did it start? Here is the grabber – 1066! That was the year the Normans (remember WW II, Normandy landing in France) defeated the English at the Battle of Hastings. With that defeat, they replaced Church law in England with a central judiciary based on the “writ “system. That Writ, as now, established jurisdiction, notified parties of legal action and provided them with the opportunity to be heard.

Remember law, as well as our Process Serving Profession is evolutionary and based on changes within the society (Common Law). Of course, when the Writ System began it only applied to royalty, nobility, landowners etc. In other words, the “ruling class”. By 1200 in England, the “Server/Enforcer” had evolved into the body of the Sheriff for each “county” or “Shire” (Remember the Shire from the Lord of Rings). That enforcer was the “Reeve”. So we have the “Shire-Reeve” or better known in modern day as the Sheriff. Remember Robin Hood and the Sheriff of Nottingham. He was the Shire of Nottingham’s enforcer.

In Part 2 we’ll examine the introduction of the Writ System and Common Law into the American Colonies.

A Professional NEVER Stops Learning

Dr. Denny has been writing articles for FAPPS and NAPPS for almost twenty years.
